About **Actuarial Factor**

Every organization has different questions. Our work starts with understanding your operations, your objectives, and what you need to resolve. We are an independent actuarial consulting firm with experience across the United States, including Puerto Rico, Latin America, and the Caribbean. We work with insurers, reinsurers, MGAs, insurtechs, captives, and self-insured organizations. Our multilingual team combines technical rigor with clear, direct communication. We explain our findings and their implications so you can make decisions with greater clarity.
